

## **Commander's Special Project**

# **GLOBAL WAR ON TERRORISM Memorial HONOR Their LEGACY**

**The Global War on Terrorism Memorial Department is leading the effort to plan, fund, design, and build the Global War on Terrorism (GWOT) Memorial on the Washington State Capitol in Olympia Washington.**

### ***The Time is Now!***

**For two decades, members of the armed forces, civilians, and their families have courageously stepped up to serve in the Global War on Terrorism. The GWOT Memorial will be a lasting tribute to the courage and sacrifice of all who have served; especially those who have made the ultimate sacrifice; in the nation's longest ongoing conflict to protect our country, while inspiring all Americans to stand united behind those who continue to serve.**

### **Our Vision and Mission**

**In March 2022, State Legislature designated the GWOT Memorial as the entity authorized to plan, fund, and build the Memorial. Our vision for the Memorial is to be an inclusive, reverent, and apolitical place of honor for all who have served and sacrificed in the ongoing Global War on Terrorism. This includes the countless civilians, family members, and others who have supported them.**

### **The Memorial will:**

**Honor:** Salute all who served in this conflict; service members, civilians, and their families.

**Heal:** Provide a focal point for healing and reflection on a complex, multigenerational conflict.

**Empower:** Engage and educate communities to build mutual understanding.

**Unite:** Foster and sustain the sense of patriotism that brought all Americans together in the wake of 9/11 and catalyze support for those continuing to serve.
